SUMMARY

Motivated and enthusiastic B.Tech Computer Science student specializing in Artificial Intelligence and Machine Learning, with a strong interest in software development and IT roles. Possess foundational knowledge of Python, C, HTML, SQL, along with hands-on exposure to full-stack development and prompt engineering. A quick learner with strong teamwork, adaptability, and problem-solving skills, eager to apply technical knowledge to real-world projects and continuously develop new skills.

EXPERIENCE

Python Full Stack Intern

AvaIntern Edutech Pvt Ltd.

May 2026 – July 2026

- Gained practical exposure to full-stack web development pipelines utilizing Python programming structures.
- Managed tasks concerning frontend presentation layers and backend data structures.
- Developed a clear understanding of modern web application components and deployment integration frameworks.

Software Programmer (Python) Intern

APSCHE – CSC India

April 2026 – May 2026

- Learned Python programming and software development basics.
- Gained hands-on experience in coding, debugging, and problem-solving.

PROJECT

E-Commerce Online Shopping Website with AR Virtual Try-On

- Developed an e-commerce web application incorporating an Augmented Reality (AR) Virtual Try-On concept.
- Used Python and HTML for application development and interactive interface design layout.
- Implemented product display and visualization features to improve overall end-user experience.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science & Engineering (AI & ML)

Avanthi Institute of Engineering & Technology • 2027 • CGPA-8.4/10

Intermediate

A.P. Model College • 2023 • 90%

SSC

Z.P.H. School • 2021 • 100%

CERTIFICATIONS

AWS Academy Graduate – AWS Academy Cloud Foundations

AWS Academy

Generative AI Powered Data Analytics Simulation

TATA Forage

SQL and Database Management System

SKILLS

- **Programming Languages:** Python, C, Java (basic), C++ (basic)
- **Web Development:** HTML
- **Databases:** SQL, Relational Database Concepts
- **AI & ML:** Generative AI, Machine Learning Fundamentals
- **Soft Skills:** Problem Solving, Communication, Teamwork, Adaptability
